Biblical Reference:

John 3: 16-17

'For God loved the world so much that he gave his only Son, so that everyone who believes in him may not die but have eternal life. For God did not send his Son into the world to be its judge, but to be its saviour.'

(The Good News)

For God so loved the world

Link exploration:

God sent his only Son Jesus into the world not to judge the world but to save it. The wrongs that people had committed would be forgiven as long as they believed in Jesus and were sorry.

In Frozen 2 Elsa, who is queen of Arundel, can hear a voice coming from the Enchanted Forest. She and her sister Anna remember being told as children that their grandfather had set up a treaty with their neighbouring tribe and he had a dam put up in their homeland, the Enchanted Forest, as a gift. Elsa feels like the voice is calling her so she follows it to the Forest and while she is there, she is told that all is not what it seems and that she must discover the truth about the past. Elsa goes back to right the wrongs of her ancestors, so that everyone, in both The Enchanted Forest and Arundel, can all enjoy their futures.

Jesus was sent into this world to eventually die on the cross for our sins (wrong doings). This was the ultimate act of sacrifice, he gave his life so that we could be forgiven. Elsa had the power to put things right in her world. Jesus gives us the power to choose the right path to put things right in our lives, which could impact the people around us. Maybe there is something you have done that you now regret and are sorry for. The Bible tells us that our sins will be forgiven if we believe in Jesus, say sorry and try not to do them again.

Prayer

Dear God, thank You that you sent Your son so that we can be forgiven for our wrong doings. Please help us to say sorry when we need to and help us to not commit these sins again. Help us know that we are forgiven. Amen

Personal challenge

- Say sorry to God for the things you have done wrong and also say sorry to who you did wrong to.
- At the end of each day, think back on your whole day, remember all the times you may have thought, said or done anything wrong. Ask for God's forgiveness and think about what made you respond in that way and ask God to help you respond differently next time.
